Kinetic To Host Open House Showcasing Cutting-Edge LED Lighting and Projection Equipment

LOS ANGELES, Calif. (April 3, 2009) – Kinetic Lighting, Inc. will be hosting an open-house April 9-10 at its Los Angeles facility.

The 2-day event will showcase the company's new Clybourn facility, as well as introduce attendees to cutting-edge LED lighting and projection equipment. Manufacturer reps will be on hand to answer questions and provide equipment demos. Food and beverages will be provided.

Some of the manufacturers represented will include:

- Elation Professional
- City Theatrical
- LED-G
- Philips Color Kinetics
- Rosco

Kinetic is a leading source for LED lighting rentals and sales and thus, chose to feature this technology exclusively for its Open House.

The event will be held from 12pm-7pm on April 9 and 12pm-5pm on April 10. Anyone may attend.

About Kinetic Lighting:

Kinetic Lighting is an award-winning lighting company, leveraging the magical power of light for architectural, entertainment and outdoor advertising applications. We design, produce, rent, sell, repair and consult for clients needing lighting and projection technology. Visit www.kineticlighting.com for more information.
