

## Insurance Requirements for Rental Orders

Thank you for allowing Kinetic Lighting to service your rental needs. We look forward to beginning a close relationship with your company and will strive to consistently provide you with world-class service.

Listed below are our insurance requirements for clients wishing to place rental orders. Please note that Kinetic is unable to rent equipment to clients that only have Liability insurance coverage. Property coverage and Worker's Compensation insurance are also required of rental customers.

### **Accord Certificate of Insurance:**

Coverage Type(s): ALL of the following coverage is required

- General Liability (1,000,000 per incident; 2,000,000 aggregate)
- Property Coverage, including subrental equipment (no less than value of rented equipment)
- Worker's Compensation

Wording: Certificate of Insurance must be worded EXACTLY as follows:
